31) Because UCR data are based upon \_\_\_\_\_ crimes, the system has been criticized for underestimating the true incidence of criminal activity within the Canada – a measurement that would also include unreported crimes.

- a. selected
- b. violent
- c. property
- d. reported
- e. unreported

Answer: d

Diff: 1

Type: MC

Page Reference: 46

Skill: Recall

32) Unlike data from the United States, Canadian crime statistics do not routinely report on the \_\_\_\_\_ of offenders.

- a. age
- b. victimization
- c. gender
- d. type of crime
- e. racial and ethnic makeup

Answer: e

Diff: 1

Type: MC

Page Reference: 59

Skill: Recall

- 33) Unreported and underreported criminal activity has been called the \_\_\_\_\_ of crime
- a. actual measure
  - b. unbalanced rate
  - c. dark figure
  - d. unmeasurable rate
  - e. measurable rate

Answer: c

Diff: 1

Type: MC

Page Reference: 46

Skill: Recall

- 34) The phrase \_\_\_\_\_ refers to a case in which police cannot or do not charge a person even if they have identified a suspect and have enough evidence to support the laying of a charge.
- a. offence cleared otherwise
  - b. the homeowner or renter
  - c. whoever answered the telephone
  - d. Offence of anyone under 16 years of age
  - e. offence cleared by charge

Answer: a

Diff: 1

Type: MC

53) Many of the difficulties surrounding research into the relationship between social class and crime appear to stem from \_\_\_\_\_.

- a. a lack of social dimension analysis
- b. a lack of definitional clarity
- c. a lack of correlation of crime analysis
- d. a lack of geographic information studies
- e. a lack of self-dimension analyses

Answer: b

Diff: 1

Type: MC

Page Reference: 62

Skill: Recall

54) List and briefly elaborate upon the four central reasons for not reporting a crime such as sexual assault.

Answer:

Reasons for not reporting a crime such as sexual assault include (1) the victim's fear of the perpetrator; (2) the victim's shame, which may carry over from traditional attitudes about sexual behaviour and a woman's role in sexual encounters; (3) fears the victim may have of not being believed; and (4) the victim's fear of further participation in the justice system (such as the possibility of the victim being required to go to court and testify against the offender, thereby exposing herself to potentially embarrassing cross-examination and public scrutiny).
